

Ascension and Compassus: Improving the patient experience together

Ascension at Home works together with Compassus to ensure patients understand the full range of options available to provide them with the right care at the right time. By choosing Ascension at Home's infusion services, you can rest assured that your patients will receive excellent care, personalized attention and outstanding outcomes. Our *Care for who I am* culture reflects our unique care model, which focuses on each individual we serve to improve their quality of life in a meaningful way.

Unparalleled expertise: Our infusion services are provided by highly skilled and dedicated **Certified Registered Nurse Infusion (CRNI) specialists**.

Extended patient care: The average length of stay for specialty patients is **over three years**, exemplifying our commitment to long-term care.

Exceeding expectations: Our average **patient satisfaction rate is over 91%**, surpassing the infusion industry standard of 90%.

Commitment to medication compliance: Our **medication compliance rate of over 95%** reflects our dedication to maintaining treatment plans and fostering patient cooperation, decreasing the chance of rehospitalization.

Benchmark-beating quality: Our quality scores consistently **surpass national benchmarks**. We continuously monitor and improve our processes to ensure our patients receive the best care possible.
